

Adopt Kansas Kids

WEBSITE MATCHING SERVICES

Adopt Kansas Kids website matching service provides an opportunity for home study approved families to be matched with children available for adoption in Kansas. Through our detailed assessment of child strengths and needs and family strengths and needs, we are able to provide a list of compatible matches for both families interested in adoption and children available for adoption. Our website offers both child to family matching, as well as family to child matching.

LEARN MORE

HOW TO USE OUR WEBSITE MATCHING SERVICES

STEP ONE

CPA staff must complete **PPS 5318 Adoption Family Assessment** and **PPS 5320 Family Registration MATCH** form with an adoptive family.

Submit **PPS 5318** and **PPS 5320** to Adopt Kansas Kids Customer Care email: customercare@adoptkskids.org

**PPS 5318 Adoption Family Assessment must be current within the last year*

Adopt Kansas Kids staff will profile the family for matching services

Adopt Kansas Kids will run a family to child match through the website, and provide the results to the families CPA worker.

STEP TWO

Matching services are only visible by professionals with a professional login. Professionals can run a match for families and/or children they are serving.

Create a professional login on adoptkskids.org/loginrequest

The Family to Child Match and Child to Family Match pages can be accessed after creating your login.

Pages can be located under the 'For Professionals' section of adoptkskids.org

STEP THREE

Family to child match

As a professional, you can inquire on behalf of your family by emailing customercare@adoptkskids.org. Alternatively, the family can complete an inquiry on a child through the website.

Child to family match

Professionals can email customercare@adoptkskids.org to request a copy of the families adoption home assessment. After review, Adopt Kansas Kids staff can connect you to the families CPA worker to discuss your interest in the family for your child(ren).

**Should professionals connect regarding matches made through the website, Adopt Kansas Kids requests that you include customercare@adoptkskids.org for the purpose of statewide data collection and documentation.*
